

New PDHS Publication

The family and friends of the soldiers were originally asked to submit names of the fallen for the memorial, although surname and christian names were asked for and given, only the surname and initials were inscribed on the memorial. The challenge was to further identify these soldiers.

This book covers the identification and information researched on the names of 122 soldiers.

Price: **\$20.00**

Plus postage if applicable: **\$13.50**
