

INVITATION

BEYOND THE TREE EXHIBITION

LIVERPOOL GENEALOGY SOCIETY INC.

Liverpool Genealogy Society Inc. is currently celebrating thirty years researching family history, along with a ten year residency within Liverpool Regional Museum and during this time the Society has become a leading genealogy membership and service provider in South West Sydney.

Our exhibition, "Beyond the Tree", is being held in conjunction with Liverpool Regional Museum & Family History Centre and will be promoting Family History through the curated stories, memorabilia, artefacts and objects of our members - complemented by public programs, talks and children's workshops. This will also include Jason Reeve from Ancestry and Linda Emery being keynote speakers at our first Open Day on 27th July as well as Lucky Door Prizes donated by Ancestry and other companies.

The aim of this exhibition is for visitors to take away a thirst to learn more about their own family history; and to go away full of enthusiasm to tell their family, friends, and neighbours that ...

*"Family History is not just about names and dates,
It's about the interesting lives of our Forebears"*

CALL OUT: Members of the public are invited to bring along photographs of your own special family moments to add to the exhibition.

It may be your Great Grandparents Wedding; Your Wedding; Holiday Snaps; A photo snapped in the streets of Sydney by the Street Photographers. Or a very special memento of arriving in Australia - or maybe even your previous homeland.

Part of National Family History Month 2019
