STOP PRESS

On Friday 26th May Jeff Madsen has offered to conduct a workshop from 10am

At the Old Pambula Court House

Learn the basics of digitising your records with a flat-bed scanner. The topics covered include image resolution, colour management, use of different file types, file naming and management. We will also review equipment and backup options suitable for the task.

People will be limited to 5 items each

This session is free for members of Bega Valley Genealogy Society

For non-members a \$5-00 charge will apply. Please confirm your attendance

Morning tea provided, bring your lunch
